MEDIA RELEASE

HIGH PERFORMANCE FOOTBALL TRIALS

Northern Inland Football invite any football players aged 5 to 15 from across the region to trial for the 2019 High Performance Program.

Northern Inland Football's vision is to be a seamless provider of football across the community for all ages and abilities.

In our region we offer two distinct pathways – “Community” and “Performance” – these are offered to cater for all participants and to align with the goals and priorities of Northern New South Wales Football and FFA's National Curriculum.

Parents are welcome to attend information sessions that will be held across our region in the coming week, prior to the trials commencing in September 2018.

Parent Information Sessions
